

A BETTER SOLUTION HOME CARE ACQUIRES SWEET LIFE HOME CARE

Sarasota, FL, December 10th 2018 – A Better Solution Home Health Agency has announced it has acquired Sweet Life Home Care.

Sweet Life Home Care, formerly ComForcare in South Sarasota, was founded in 2008 by Richard and Mary Rogers. Using their unique holistic approach, Sweet Life has been providing services for seniors from Sarasota to Port Charlotte.

A Better Solution has been providing quality care for seniors on the Suncoast since 1998 with offices in Sarasota, Bradenton, Venice, Punta Gorda and Hillborough. The acquisition will accelerate the already rapid expansion of A Better Solution's services on the Suncoast with the most impactful area being service to our veterans. This will compliment A Better Solution's current business as well as strengthen relationships within the industry. Richard will begin employment with A Better Solution as a Regional Sales Associate effective January 1st 2019.

"I was impressed with A Better Solution from the beginning. The Sweet Life team and I are extremely excited to be joining A Better Solution. After observing their professionalism, dedication and technology I wanted to join the team as quickly as possible and get to work. I believe this acquisition will allow my clients to have the best services possible and my staff more opportunity for growth. I will also be able to focus on the clients and their needs because caring for seniors truly is my passion." said Sweet Life President Richard Rogers.

"I am thrilled that Richard and his staff will be joining the A Better Solution team. Together they bring a plethora of industry knowledge and experience along with genuine compassion. Given our technological advantage within the industry, I look forward to incorporating their knowledge and methods into our own proprietary system. The end result will be A Better Solution for all of our clients and team members!" said A Better Solution of Sarasota President and CEO Barbara Cogswell.

This press release contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Such statements are based on the current expectations of the management of A Better Solution. (the "Company") only, and are subject to a number of risk factors and uncertainties, including but not limited to changes in technology and market requirements, decline in demand for the Company's products, inability to timely develop and introduce new technologies, products and applications, difficulties or delays in absorbing and integrating acquired operations, products, technologies and personnel, loss of market share, pressure on pricing resulting from competition, and inability to maintain certain marketing and distribution arrangements, which could cause the actual results or performance of the Company to differ materially from those describe therein. All statements contained herein that are clearly historical in nature are forward-looking and the words "anticipate," "believe," "expect," "estimate," "project," and similar expressions are generally intended to identify forward-looking statements. The Company undertakes no obligation to (and expressly disclaims any obligation to) update or alter its forward-looking statements whether as a result of new information, future events or otherwise.
